FOOD FOR THOUGHT, LITERALLY

I know we are all feeling the pinch of food prices. Groceries are sky rocketing these days. Nourish Cowichan is helping us with their free Star Fish Program. Backpacks can be picked up weekly filled with groceries for the weekend.

NOURISH COWICHAN

Shout out to Nourish Cowichan to providing our students with some health and delicious food. We are able to provide warm breakfast, lunch and snacks.

HOLIDAY CHEER

Join us Dec 18-22 in some Holiday fun.

Monday - Red and Green Day

Tuesday - Dress up like a reindeer or an elf

Wednesday -Festive/Ugly Sweaters

Thursday - Christmas socks

Friday - PJ DAY - cozy warm and relaxed for our final day of school before winter break. Don't forget your stuffy and blanket.

PARKING REMINDERS

There is very limited parking for families driving children to and from school. Staff parking lot is NOT available as a place to park while dropping children off. Please use the available spots on the road, or use our drop-off area. Drop-off area in front of the school is an efficient way to drive kids to school as long as everyone respects the space as a quick drop-off ONLY area. This helps the traffic pattern move smoothly, and therefore keeps everyone safe. Please also be conscious of our neighbours. Bussing is an option for many children, and families may wish to consider carpooling, and or walking or biking to school to both reduce their car usage, and provide an enjoyable together time walking to school.
